

Policy Update: January 2026

Memo to all staff | From: Aoife Byrne, owner | Date: 15 January 2026

Thank you all for a great 2025. Following the staff meeting in December, I am making the changes below. **Where this memo differs from the Staff Handbook (2025 edition) or the Purchasing and Supplier Policy (2025 edition), this memo applies.**

1. Staff discount (from 1 February 2026)

The staff discount increases from 20% to 25% on food and drink when you are not on shift. The discount for an accompanying guest is discontinued. Retail coffee beans and gift cards are still excluded.

2. Sick pay (from 1 February 2026)

The first 5 sick days in each leave year will now be paid at 100% of your normal daily pay, with no daily cap. The rules on phoning in and medical certificates are unchanged.

3. Sunday opening hours (from 1 March 2026)

On Sundays the café will open from 09:00 to 16:00, one hour later than before, because of the demand we saw last summer.

4. Rota publication (from 1 February 2026)

The rota for the following week will be published every Wednesday by 17:00 instead of Thursday, to give everyone more notice.

5. Café manager spending limit (from 1 February 2026)

The café manager can now approve orders up to €3,000 per order (previously €2,500). The shift lead limit of €500 is unchanged.

Everything else in the Staff Handbook and the Purchasing and Supplier Policy stays the same. If you have any questions, please talk to me or to Ciarán.
